

Directions to NOAA Pier 38 Facility

From the HNL airport, take H1 freeway east; take the Nimitz Hwy exit (Hwy 92); follow Nimitz to Alakawa St. and turn right at the stop light into the Pier 38 area. Follow the road back around to the right to get to the parking lot.

If you are coming on Nimitz from town, there is a contra-flow lane coming in from the west in the morning so you will not be able to turn left on Alakawa St. to get into the Pier 38 area. Instead, you should turn right on Alakawa St., then turn into either the Best Buy or Home Depot parking lots to turn around so you can get across Nimitz into the Pier 38 entrance.
